Student Council Members explain the recent remodel to the Gym to the class of '61

Paul Turner asks if he can take just one more “free-shot”

Remember all the dances we had in the Gym?

The rallies, the games, the assemblies, all held in the gym before the auditorium was built.

Herb McLure relives a few basketball stories to Jerry Hall

Jerry Hall & Chuck Holly check out the trophy case in the gym lobby.

Back in the halls after 40 years. No Lockers, new paint, looks better than when we were here. Gary Adams and Gary Patten wish they were back in school again.

Someone was heard to say “the kids look so young...” but it turned out they were the teacher’s kids helping mom get her class organized.

This science class was just remodeled. Classes run year round now, and class size is still around 24 students.

Mr. Jim Christ (vice principal) describes the bond issue that allowed the remodeling and updating of THS.

The Band room is located in the Auditorium.
Former band members Jerry Hall, Jane Rosio, Herb McLure, Chuck Holly and
Nick Purcell all played in the marching band.

Ed Royce, back on Stage in the Auditorium. Lots of memories here.

Outside the Auditorium, Mr. Christ explains the new patio areas.

Another View of the Tour members. How many do you recognize?

Our tour finished up in the athletic training room.
Paul Turner explains his personal fitness program and the use of the equipment.
